## REVISTA DE BIOLOGIA TROPICAL

EDITOR: Julián Monge-Nájera

DIRECTOR: José A. Vargas

EDITORIAL BOARD: Julieta Carranza  
Juan B. Chavarría  
Jorge León

Pedro León  
Pedro Morera  
Alvaro Wille

The *Revista de Biología Tropical* has been published without interruption since 1953, and has worldwide distribution. It is a founding member of the Latin American Association of Biology Editors (1962). Issues are published each April, August and December.

**INDEXED IN:** Aquatic Science & Fisheries Abstracts, Biological Abstracts, Bireme, Bulletin Signaletique, Current Advances in Ecological Science, Current Awareness in Biology, Current Contents, Deep Sea Research and Oceanography Abstracts, Ecological Abstracts, Index Medicus, Nutrition Abstracts, Abstracts of Hygiene, Field Crop Abstracts, Helminthological Abstracts, Herb. Abstracts, Horticulture Abstracts, Index Veterinarius, Review of Applied Entomology, Sel. Water Resources Abstracts, Soils and Fertilizers, Veterinary Bulletin, Tropical Diseases Bulletin, Zoological Record.

### MATERIAL ACCEPTED:

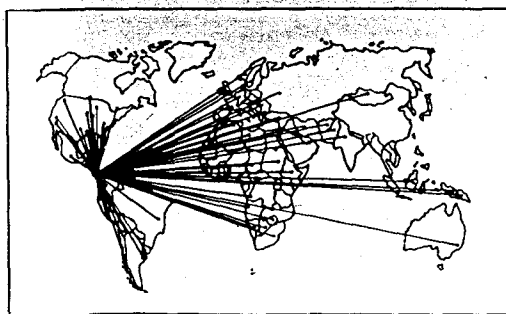

Original articles on tropical organisms, or resulting from studies with direct bearing on the tropics, in the following fields: ecology, ethology, morphology, biosystematics, paleontology, genetics, physiology, biomedicine and microbiology.

Authors may apply for quick publication of particularly urgent papers and descriptions of new taxa. Otherwise the date of publication depends on final acceptance. Ask the Editor for details on how to publish supplements.

**YEARLY SUBSCRIPTION:** Costa Rica ₡ 1000\*. Foreign (air mail) US\$ 30\*

**THIS SUPPLEMENT:** Costa Rica ₡ 750\*. Foreign (air mail) US\$10\*

\* Make checks payable to *Editorial Universidad de Costa Rica*; a price reduction is made to distributing agencies.

Distribution of the *Revista de Biología Tropical*
